

PAID INTERNSHIP PROGRAM

Do you have an interest in **STEM education**, **media production** and **mentoring** and **supporting** young learners from diverse populations?

Join KSPS PBS this summer for a **9-week paid internship**, supporting **K-3 students** from Spokane Public Schools in free **STEM, TV production**, and **podcasting** summer camps held at partner elementary schools and at KSPS's studio facilities.

- ✔ Engage students in hands-on STEM activities and learn the fundamentals of podcasting and video production.
- ✔ Help students feel a sense of belonging in a safe and welcoming learning environment.
- ✔ Participate in camp set-up and clean-up activities.
- ✔ Work with students one-on-one and in small groups.
- ✔ Capture student learning and camp activities via photographs and video.
- ✔ Assemble and distribute educational take home bags for students.
- ✔ Help serve breakfast/lunch to students.

Dates: June 27 - August 25 (Monday-Thursday) - with a one hour paid training during the week of June 20.

Time: 8:30 am - 12:30 pm
